BOOK SYNOPSIS

The first two volumes of AQUAMAN as a part of DC Universe Rebirth are collected here in hardcover for the first time ever! Aquaman, the King of Atlantis, has never found a true home in either of the worlds that he was born of. In his undersea realm, Aquaman is both king and outsider. And on the surface world, he's a hero and an outcast. In this brand new series by fan-favorite writer Dan Abnett (TITANS HUNT) and all-star pencillers Brad Walker (SINESTRO), Philippe Briones and Scot Eaton, the King of Atlantis attempts to broker a peace between Atlantis and the surface. But this noble quest might force Aquaman to finally choose whether to live his life above the waves, or below them. Plus, Black Manta makes his bloody return and seeks to destroy everything and everyone Aquaman loves! The first two volumes of the hit new AQUAMAN series are included in this deluxe hardcover collection, which includes variant covers, concept sketches and other bonus material. Collects AQUAMAN #1-12 and the AQUAMAN: REBIRTH one-shot.
