BOOK SYNOPSIS

Based on the spellbinding world of the Walt Disney Studios film, Tomorrowland, this original prequel novel unlocks a place of unfathomable science and technology and the famous people behind it. The year is 1939. A secret society of extraordinary geniuses is about to share an incredible discovery with the world. A misguided enemy--half man, half machine--will stop at nothing to prevent the group from giving this forbidden knowledge to humanity. And a mother and son on vacation in New York City are handed a comic book infused with a secret code that will lead them straight into the crossfires of the conspiracy. Don't forget to download the FREE comic book companion, The Secret History of the World of Tomorrowland!
