## BOOK SYNOPSIS

In those first heady days of a relationship, couples can barely keep their hands off each other. But as relationships mature and responsibilities creep back into life, sex can get pushed further and further down the list of priorities. It doesn't have to be that way. Josey Vogels has created a fun and approachable guide for couples that is packed with tips, tricks and time-guided experiences to try. You'll never think of five minutes alone the same way again!
