BOOK SYNOPSIS

Book 3 in the Second Chances Time Travel Romance Series Reverend Johnson is in the business of granting second chances to those deserving a new start, even if it means bending the rules of time travel on occasion. In Gabe McFarlain's case, he may have gone too far . . . Abandoned by his father, and raised in a Montana whorehouse, Gabe has grown bitter to the world. Fueled by revenge and hatred, his actions leave him facing the hangman's noose. Accepting certain death, he wakes up in a time and place that is as foreign as the tender touch of the woman who rescues him. Down to earth and level-headed, Morgan Bartlett isn't afraid to wear her heart on her sleeve. All she wants is independence from her overbearing mother, and the freedom to shape her own destiny. When she aids a badly beaten man along the side of the road, she may have found more than a dusty cowboy down on his luck. Morgan's unshakable belief that Gabe is a good man slowly chisels away the walls he's built around himself. As he comes to terms with living in the future, he must decide if losing his heart is worth more than holding on to the life he's led in the past.
