BOOK SYNOPSIS

C.S. Lewis called it “the long terrible story of man trying to find something other than God which will make him happy.” We are, in fact, in desperate search of someone or something to meet the longing we feel within us. A longing for meaning; to live a life that matters. Look how easily we fawn over and follow celebrities, athletes, and even Christian leaders, eager to associate with something bigger than ourselves. *In Search of the King* brings to light our inability to satisfy our soul’s desire with a human “king,” leading readers on a discovery of their true purpose: intimacy with the only King who can fulfill our every need.
