## BOOK SYNOPSIS

Former porn star and now a YouTuber, Channon Rose takes you through her early childhood, which was filled with severe traumatic events. The story of Channon's childhood is both disturbing and captivating. Channon shares her deepest darkest secrets about her life in this book that she hasn't even shared with her own family or closest friends. Channon spent much of her childhood in and out of psychiatric hospitals, dealing with drug addiction; she was a child prostitute; she dealt with emotional and physical abuse at home; and she struggled with eating disorders. These are just a few of the personal stories she shares in this book. This candid story will take you along for the ride while you follow the life of a girl out of control. This incredible journey will whip you past an attempted murder and being expelled from almost every school and will take you into the heart of what it is like to be young and alone with a psychopath stepparent and a death wish. Every moment of this true story will lend you insight into the mind of a lost little girl and how she eventually managed to survive through it all, despite the odds. Are you up for a wild ride? If so, take a peek inside.
