## BOOK SYNOPSIS

The fifth book in Chris Colfers #1 New York Times bestselling series The Land of Stories! The Masked Man has captured all the royal families from the Land of Stories with the help of his army of literatures greatest villains, including the Wicked Witch of the West, the Queen of Hearts, and Captain Hook. With his sinister plan finally in motion, he is eager to destroy the families and take his place as emperor. Alex and Conner know they are no match against the Masked Mans legion of villains, but they realize that they may be in possession of the greatest weapon of all: their own imaginations! So begins the twins journey into Conners very own stories to gather an army of pirates, cyborgs, superheroes, and mummies as they band together for the ultimate fight against the Masked Man. Meanwhile, an even more dangerous plan is brewing--one that could change the fates of both the fairy-tale world and the Otherworld forever. Conners tales come alive in the thrilling fifth adventure in the #1 New York Times bestselling Land of Stories series.
