## BOOK SYNOPSIS

Although Rebecca Wright has pieced her life back together after a major tragedy, she can't shake a sense that the world around her feels off-kilter. Meanwhile, her husband's dedication to his invention, "the causality violation device" (which he would greatly prefer you not call a time machine) has effectively stalled his career--but he may be closer to success than either of them can possibly imagine. Emotionally powerful and wickedly intelligent, *Version Control* is a stunningly prescient novel about the effects of science and technology on our lives, our friendships, and our sense of self that will alter the way you see the future--and the present.

**VERSION CONTROL A NOVEL** - Are you looking for Ebook *Version Control A Novel*? You will be glad to know that right now *Version Control A Novel* is available on our online library.
